INSTRUCTIONS FOR COMPLETING FORM CF-16

(Please print or type in black ink)

This statement must be used by any candidate for public office or party position who has not expended funds and does not intend to expend funds in connection with his or her election **except** through a duly authorized political committee. The duly authorized political committee, in this instance, shall fulfill all of the campaign financial reporting requirements for the candidate.

If the committee named does not register (CF-02), the candidate will be responsible for reporting all financial activity for the campaign.

A candidate filing this statement, whose authorized committee has registered, shall not be required to file campaign financial reports (CF-01) unless the candidate shall make campaign related expenditures outside of his/her authorized committee(s).

Note: If you are a candidate with or without an authorized committee and you have made or plan on making any expenditures on your own, you do not file this form. Instead, you are required to file a CF-01 on the required filing dates. If you have an authorized committee, these filings would be in addition to those made by the committee.

This non-expenditure statement is required to be filed no later than the thirty-second day prior to the first election to which it relates, and will remain in effect for each subsequent election. However, a new statement must be filed if any of the information changes other than the year of the election.

Candidates that are required to file this form must furnish the requested information for all authorized committees. This can be done by completing several forms or by attaching an addendum to this report.

Candidates for statewide office, Justice of the Supreme Court, State Senate and Member of the Assembly must file with the State Board of Elections. All other candidates file with their county board of elections. Candidates for village office file with the village clerk, unless the county board is running the village election. If so, they file with the county board of elections.

SOCIAL SECURITY # - We are requesting your Social Security number to more precisely identify those persons who fail to comply with campaign financial disclosure requirements. Disclosure of this information is strictly voluntary.
